FANTASY MINIATURE GAMES

SCENERIES

Sceneries are a “must-have” in any miniature game. By blocking lines of sight, offering cover or becoming battle objectives, they add flavor to the game and get the players to create intense battle scenarios. Drakerys’ rules introduce specific rules for sceneries, allowing them to become even more important. They can even turn into places of power!

- **COMPATIBLE WITH ALL 28-32 MM SCALE MINIATURE GAMES**
- **SCENERIES COME UNPAINTED**
